J curl						
JC curl						
C curl						
D curl						
DD curl						

J CURL — Curl most similar to human eyelashes and create a natural look.

JC CURL — It is a middle curl between J and C, creating both natural and attractive appearance.

C CURL — It is the most popular curl, matching the inner and monolid curls, and creating clear eyes.

D CURL — It has a rich volume of curls, creating deep, clear, and colorful eyes.

DD CURL — Strongest volume curls, creating gorgeous, captivating eyes.
