Diamo Cosmetics

Diamo Cosmetics is one of the leading manufacturer of cosmetic and household products industry. In 2 facilities, covering a 20,000 m² production area, we're proud of our commitment to quality and innovation. Equipped with latest technology 6 aerosol filling lines, 3 liquid filling lines, perfume filling, automatic packaging machines and R&D laboratories, we have a monthly capacity of producing 10 million aerosol and liquid items.

Diamo is highly flexible in meeting customers requests regarding minimum order quantities and packaging. We offer competitive prices while keeping high quality and providing fast delivery within a short period of time.

As Diamo Cosmetics we provide our own branded items and also customized contract manufacturing solutions, by meeting regulatory standards across different regions. Currently we export to over 50 countries.

We also offer a wide range of 200 different products designed to meet our customers specific needs.
