Day Cream

Daily Skin Renewal Care Cream

With its advanced formula enriched with Niacinamide, Adenosine, and Vitamin E, it helps promote a brighter, more balanced, and smoother-looking complexion. Hyaluronic Acid, botanical oils, and nourishing extracts help support the skin's moisture balance and natural barrier function. It contributes to a softer, healthier-looking, and well-cared-for appearance throughout the day.

Key Active Ingredients:

Niacinamide, Adenosine, Vitamin E, Hyaluronic Acid, Hydrolyzed Collagen, Allantoin, Sunflower Seed Oil, Kiwi Extract, Tomato Extract, Banana Extract, Green Tea Extract, Licorice Root Extract, Soybean Extract, Rooibos Extract, and a Peptide Complex (Acetyl Hexapeptide-8, Palmitoyl Pentapeptide-4, Palmitoyl Tripeptide-1, Hexapeptide-9, Tripeptide-1, and Copper Tripeptide-1).

Directions for Use:

Apply a sufficient amount to the cleansed face, neck, and décolleté area each morning. Gently massage into the skin using upward motions until absorbed. Once the product has been fully absorbed, apply sunscreen to complete your daytime skincare routine.

BEAULIFE

Night Cream

Overnight Renewal Care Cream

Formulated with Sodium DNA (PDRN), Niacinamide, and Adenosine, it helps support the skin's overnight renewal process. Enriched with Shea Butter, Hyaluronic Acid, and botanical oils, it provides intensive hydration and nourishment while helping to protect the skin's natural barrier. By helping care for the appearance of fine lines, dullness, and dryness, the formula contributes to a smoother, more radiant, and well-rested-looking complexion by morning.

Key Active Ingredients:

Sodium DNA (PDRN), Niacinamide, Adenosine, Hyaluronic Acid, Vitamin E, Vitamin C, Shea Butter, Sunflower Seed Oil, Olive Oil, Corn Oil, Centella Asiatica Extract, Green Tea Extract, and a Peptide Complex (Acetyl Hexapeptide-8, Palmitoyl Pentapeptide-4, Palmitoyl Tripeptide-1, Hexapeptide-9, Tripeptide-1, and Copper Tripeptide-1).

Directions for Use:

Apply a sufficient amount to the cleansed face, neck, and décolleté area each evening. Gently massage into the skin using circular and upward motions until absorbed. Leave the product on overnight and cleanse your skin the following morning.

BEAULIFE

Eye Serum

Renewing Eye Contour Care Serum

Formulated with Sodium DNA (PDRN), Niacinamide, Adenosine, and a Peptide Complex, it helps care for the appearance of fine lines, dryness, and signs of fatigue around the delicate eye area. Enriched with Hyaluronic Acid, Panthenol, and Hydrolyzed Collagen, it helps hydrate and nourish the skin around the eyes, promoting a smoother, more radiant, and well-rested appearance.

Key Active Ingredients:

Sodium DNA (PDRN), Niacinamide, Adenosine, Hyaluronic Acid, Hydrolyzed Collagen, Panthenol, Betaine, Allantoin, Centella Asiatica Extract, and a Peptide Complex (Acetyl Hexapeptide-8, Palmitoyl Pentapeptide-4, Palmitoyl Tripeptide-1, Hexapeptide-9, Tripeptide-1, and Copper Tripeptide-1).

Directions for Use:

Apply a small amount to the cleansed eye area morning and evening. Using your ring finger, gently pat the product into the skin from the inner corner outward. Avoid direct contact with the eyes.
