ABOUT US

Since the establishment of **Jasmine Perfumes**, which began its production life in 2009, its goal is to represent our country with high-quality brands in the best possible way and to occupy its place among the leading global companies. For this reason, it has worked on the principle of producing high-quality, competitive products that conform to international standards in a way that does not harm human health and the environment, and this is ensured through continuous development and investment in production facilities. From pocket perfumes to luxury perfumes, to room and office fresheners, whether atomizers, sprays, or stick fresheners. Car fresheners, insecticides, and personal care are also produced in production lines equipped with advanced technologies, and the carefully manufactured products are distributed in 40 countries. Our own brands and products reach millions of consumers. For more than 13 years, we have been leading our local and global customers in the market with our strong, high-quality brands such as **Jasmine, Luveal, Cavayelo, Tulip and Marota**.
